

Without Violence

Preventive workshops by NESEHNUTÍ

Generation Z views social networks and apps as an integral part of their normal life and prohibition is no longer an effective prevention of online violence.

We follow the path of respect and kindness to
others and to ourselves.

QUIZ 1

HOW TO DATE (ONLINE) SAFELY

3. What percentage of people lie in their dating profile?

- A) Up to 50%
- B) Up to 60%
- C) Up to 70%
- D) Up to 80%

correct answer: Up to 80%

What's this? Oh no! He's almost naked!

- more than 40 % of young people who are in violent relationships experience an extreme form of jealousy
- more than 30 % experience controlling behavior through new technologies

Ron asked Lisa to install a location tracking app so he can always see where she is. Lisa is ok with sharing location with him. But then Ron starts to ask her about why she went to a pub and why she was there for so long. He says he feels insecure, because of his previous dating experiences and proposes to share their passwords.

Lisa is not hiding anything, but she doesn't like this idea. She feels under pressure.

Ron asked Lisa to install a location tracking app so he can always see where she is. Lisa is ok with sharing location with him. But then Ron starts to ask her about why she went to a pub and why she was there for so long. He says he feels insecure, because of his previous dating experiences and proposes to share their passwords.

Lisa is not hiding anything, but she doesn't like this idea. She feels under pressure.

Do you use or did you ever use a tracking app?

Ron asked Lisa to install a location tracking app so he can always see where she is. Lisa is ok with sharing location with him. But then Ron starts to ask her about why she went to a pub and why she was there for so long. He says he feels insecure, because of his previous dating experiences and proposes to share their passwords.

Lisa is not hiding anything, but she doesn't like this idea. She feels under pressure.

Do you share your passwords with anyone?

Ron asked Lisa to install a location tracking app so he can always see where she is. Lisa is ok with sharing location with him. But then Ron starts to ask her about why she went to a pub and why she was there for so long. He says he feels insecure, because of his previous dating experiences and proposes to share their passwords.

Lisa is not hiding anything, but she doesn't like this idea. She feels under pressure.

Why is there a tension between Lisa and Ron?

What do they need from their relationship?

Ron asked Lisa to install a location tracking app so he can always see where she is. Lisa is ok with sharing location with him. But then Ron starts to ask her about why she went to a pub and why she was there for so long. He says he feels insecure, because of his previous dating experiences and proposes to share their passwords.

Lisa is not hiding anything, but she doesn't like this idea. She feels under pressure.

What are the possible solutions of their situation?
